Aim and Objective

We are pleased to introduce certificate and diploma courses in Foreign Language (German, French, Spanish) at our college. Learning a new language opens a wide arena of opportunities. It not only boosts morale and confidence, it gives us an opportunity to understand our fellow beings better. It helps in the overall development of an individual. It helps to bridge the cultural gap and wipe out misconceptions.

By offering courses in foreign languages we wish to equip our youth to be multilingual. Learning a foreign language sharpens the memory, enhances the alertness, and helps to develop one's cognitive skills. It aims not only to make the student more confident, but the knowledge of the foreign language gives them a more competitive edge over others, enhances their intelligence, flexibility, concept formation, openness to diverse cultures and decision making skills. In today's globally connected world, knowledge of a foreign language will open up a whole new world for our young students.
